**INVESTIGATION REPORT
LETTER OF NOTIFICATION**

Project Name:

Case No. 96-276-EL-BLN

Delafoil 138 kV Supply Line

Company Name:

Date of Inspection:

Centerior Energy

25 Mar 96

Field Visit: J. O'Dell

A handwritten signature in dark ink, appearing to be "J. O'Dell", written over the printed name.

Project Description: This project involves the construction of approximately 180 feet of 138 kV transmission line. This supply line will provide service to a new manufacturing customer, Delafoil Ohio, Inc.

Site Description: This project is located within Perrysburg Township, Wood County. The site is being developed for industrial use. Other land uses in proximity to the proposed project include agricultural, utility and highway uses. The construction of this supply tap will not require the acquisition of any new r-o-w.

Comments/Concerns: The applicant has requested expedited consideration of this Letter of Notification, in order to accommodate Delafoil's construction schedule. This request is reasonable and should be granted. The construction of this project should pose only minimal negative social and environmental impacts.

Disposition: Approval X Disapproval
