Public Utilities Commission of Ohio

Enclosed please find a copy of our letter sent to Ohio American Water Co. We are opposing their proposed rate increase.

We sent a letter to our County Commissioners advising them of our opposition. An increase of 60.98 percent to direct water customers and an increase of 37.50 percent increase to bulk water customers unreasonable, especially in these economic times.

We hope you reject this proposed increase.

Attention: Board of Directors

The Sheffield Township Board of Trustees would like to take this opportunity to inform you of our opposition to your proposed rate increase effective 2010 through 2013. This proposed rate increase would include some of our residents.

Your proposed rate would be a 60.98 percent increase for direct water customers and a 37.5 percent increase to bulk water customers. This is an unreasonable rate increase and should be rejected by the Public Utilities Commission of Ohio (PUCO).

A copy of this letter will be forwarded to them to give them an awareness of our urging to reject proposed increase in rates.
