Re: Case No. 09-586-TP-WVR

Dear Ms. Jenkins:

I am Regulatory Vice President for **tw telecom of ohio llc**, and I write in support of the Application of the Ohio Telecom Association (the "OTA") for an Order granting a permanent waiver to all local exchange companies from the obligations of Ohio Administrative Code §4901:1-7-27.

This rule requires the semi-annual submission of FCC form 477 to the Commission Staff. Due to the FCC's electronic filing system, compliance with this rule requires **tw telecom** to print individual "screen shots" of each page and then paste those screen shots into a single word document for submission to the Commission. As OCTA points out in its comments, the Commission can and does receive the same information directly from the FCC. Accordingly, **tw telecom** respectfully requests that the Commission grant a permanent waiver to all local exchange carriers from the obligations of Ohio Administrative Code §4901:1-7-27.

Sincerely,

Pamela H. Sherwood  
Vice President of Regulatory
