The Commission finds:

- (1) On May 26, 2009, David Law (complainant) filed a complaint against Columbia Gas of Ohio, Inc., (Columbia) for alleged meter reading and billing errors, as well as the failure to properly maintain equipment on complainant's property.
- (2) On June 10, 2009, Columbia filed its answer to the complaint, denying all assertions set forth in the complaint and stating that it has at all times complied with its tariff, as well as all applicable state statutes and the Commission's rules and regulations.
- (3) On June 22, 2009, Columbia filed a motion to dismiss, stating that the parties have reached an agreement in this matter. Therefore, in accordance with Rule 4901-9-01, Ohio Administrative Code (O.A.C.), Columbia stated that this case should be dismissed if the complainant does not file a written response in 20 days.
- (4) Rule 4901-9-01(F), O.A.C., provides that, when a public utility files a motion stating that the case has been settled, the complainant shall file a response within 20 days. It also states that, if no response is filed, the Commission may presume that settlement has occurred and may dismiss the complaint.

(5) The complainant in this case has filed no response to Columbia's motion to dismiss. Therefore, the Commission presumes that the case is settled and that, in light of the resolution of the complaint, this case should be dismissed.
