Re: Case No. 09-702-EL-AEC

Dear Ms. McCauley:

On August 7, 2009, The Dayton Power and Light Company ("DP&L") and Airgas, Inc. ("Airgas") filed a Joint Application of The Dayton Power and Light Company and Airgas, Inc. for Approval of a Reasonable Arrangement to Incorporate Customer Participation in PJM's Demand Response Programs into DP&L's Demand Reduction Program. The Commission Staff recently contacted the Applicants and requested that the additional Case Number 09-1700-BEC be added to this filing, and all future submissions relating to this case be filed in both dockets 09-702-EL-AEC and 09-1700-BEC. DP&L and Airgas respectfully request that you add Case No. 09-1700-BEC to the August 7, 2009 Joint Application, which has been the only filing relating to this matter docketed to date.

Thank you for your assistance and your attention to this matter. If you have any questions please feel free to call me at (937) 259-7171.

Very truly yours,

Judi L. Sobecki
