**RE: Case No. 08-888-EL-ORD--Commission Rule 4901-1-09 Meeting with
Chairman Schriber and Commissioner Roberto on August 18, 2009**

Dear Ms. Jenkins:

On August 18, 2009, Tom Froehle and I, representing the Industrial Energy Users-Ohio ("IEU-Ohio"), met with Chairman Schriber, Commissioner Roberto, Mr. Lesser and Ms. Wissman to discuss the rules adopted in this proceeding. More specifically, we discussed Chapters 4901-1-39 and 4901-1-40 as well as the general lack of information that is needed to permit a person to know how to comply with such rules. The meeting took place at the Commission's offices.

During the meeting, we provided no information that has not already been provided in the comments or pleadings filed on behalf of IEU-Ohio in Case No. 08-888-EL-ORD and the materials we have furnished to the Joint Committee on Agency Rule Review ("JCARR") in conjunction with the Commission's submission of the adopted rules to JCARR.

Any participant in the discussion who believes that any representation made in this document is inaccurate or that the communications made during the discussion have not been fully disclosed shall prepare a letter explaining the participant's disagreement with the document and shall file the letter with the Commission and serve the letter upon all parties and participants in the discussion within two (2) business days of receipt of this document.

Respectfully submitted,

Samuel C. Randazzo
