Gentlemen:

We would like to take this opportunity to officially notify you that we are withdrawing from the Carroll Township Treatment Services Case and would like to simply allow the PUCO to set the rate in the above case at this point in time.

We would like to formally request that the public hearing scheduled for December 29, 1999 be cancelled.

We believe it is in our best interest to terminate Squires, Sanders, and Dempsey from working a deal with Sally Bloomfield, Bricker & Eckler, LLP in this matter.

Please send any correspondence to the above addresses rather than to Squires, Sanders, and Dempsey.

Thank you,
The Green Cove Resort I Owners' Association
