- (3) In the memorandum in support of the motion, Ohio Edison stated its belief that the parties may be able to resolve the complainant's claim without the need for a hearing. - (4) On September 9, 2009, Ohio Edison and Joe E. Snell contacted the attorney examiner via a telephone conference call. At that time, Mr. Snell confirmed that he had no objection to a continuance of the hearing date to October 1, 2009.
- (5) Ohio Edison's motion for an extension of time to file expert testimony and a continuance of the hearing date should be granted. The due date for the filing of expert testimony in this matter should be extended to September 24, 2009, and the hearing date should be continued to October 1, 2009, at 10:00
