APPLICATION OF TARIFF

This tariff sets forth the service offerings, rates, terms and conditions applicable to the furnishing of intrastate communications services by FIDELITY TELECOM, LLC, to Customers within the local exchange service area defined herein. This tariff is effective only where an approved interconnection agreement exists with the incumbent LEC currently serving such area.

The tariff describes the Company's terms, conditions, services and rates applicable to the provision of local exchange telecommunications services regulated in accordance with Competitive Retail Telephone Rules (Case No. 06-1345-TP-ORD).

Descriptions and rates for detariffed service offerings are found in the Company's Price Guide, available by contacting the Company at 23250 Chargin Blvd, Suite 250, Beachwood, OH 44122 or toll free at (888) 756-9706.

The Company is subject to the Commission's rules for Minimum Telephone Service Standards (MTSS) found in Chapter 4901:1-5 of the Ohio Administrative Code. Customers have certain rights and responsibilities under the MTSS and these safeguards can be found in the appendix to rule 4901:1-5-03 of the Ohio Administrative Code. These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnection and reconnection of service.

LOCAL EXCHANGE SERVICES

SECTION 1 - DEFINITIONS1. Definitions

Certain terms used generally throughout this tariff are defined below.

Account Codes: Allows a User to allocate local calls to a digital, non-verified account code.

Advance Payment: Payment of all or part of a charge for special construction required before the start of service.

Authorized User: A person, firm, corporation or other entity that either is authorized by the Customer to use local exchange telephone service or is placed in a position by the Customer, either through acts or omissions, to use local exchange telephone service.

Call Forward Busy: Automatically routes incoming calls to a designated answering point when the called line is busy.

Call Forward No Answer: Automatically routes incoming calls to a designated answering point when the called line does not answer within a pre-specified number of rings.

Call Forward Variable: Automatically routes incoming calls to a designated answering point, regardless of whether the user's Station is idle or busy.

Call Hold: Allows the User to hold one call for any length of time provided that neither party goes On- Hook.

Call Park: Allows a User to "park" a call against their directory number within the business group and "unpark" the call from any other directory number. A business group consists of a series of Customer-defined telephone numbers.

Call Pickup: Allows a User to answer incoming calls to another Station line within a defined call pickup group. Call Pickup is provided as either Group Call Pickup, where predesignated groups can pickup each other's calls by activating an access code or a feature key, or Directed Call Pickup, where any call can be retrieved by dialing a different access code followed by the extension number.

Call Transfer/Consultation/Conference: Provides the capability to transfer or add a third party, using the same line.

Call Waiting: Provides the User with a burst of tone to indicate that another call is waiting. The second call can either be answered by flashing the switchhook or hanging up the phone and being rung back by the caller.

LOCAL EXCHANGE SERVICES

SECTION 1 - DEFINITIONS1. Definitions (Cont'd)

Call Waiting Cancel: Allows a User to cancel the Call Waiting feature on a per call basis by dialing a specific two digit code.

Calling Number Delivery: Identifies the 10-digit number of the calling party.

Calling Number Delivery Blocking: Blocks the delivery of the number to the called party on a per call or per line basis.

Class of Service (COS): Used to prevent a Station from dialing certain codes and numbers.

Company: FIDELITY TELECOM, LLC , which is the issuer of this tariff.

Commission: The Public Utilities Commission of Ohio.

Conference/Six-Way: The User can sequentially call up to five other people and add them together to make up a six-way call.

Customer: The person, firm, corporation or other entity which orders service and is responsible for the payment of charges and for compliance with the Company's tariff regulations.

Customer Group Dialing Plan: A dialing scheme shared by the members of a Customer group, such as 4 digit internal dialing.

Dial Pulse (DP): The pulse type employed by rotary dial Station sets.

Direct Inward Dialing (DID): A service attribute that routes incoming calls directly to Stations, by-passing a central answering point.

Do Not Disturb: Allows the User to prevent incoming calls from ringing its line by diverting them to a tone or a recorded announcement that informs the caller that the User is not accepting calls at this time.

Dual Tone Multi-Frequency ("DTMF"): The pulse type employed by tone dial Station sets.

Hunting: Routes a call to an idle Station line. With Serial Hunting, calls to a member of a hunt group will search from that point to the end of the group and stop.

Individual Case Basis: A service arrangement in which the regulations, rates and charges are developed based on the specific circumstances of the Customer's situation.

LOCAL EXCHANGE SERVICES

SECTION 1 - DEFINITIONS1. Definitions (Cont'd)

Originating Off-Net: A call terminating on and placed via non-company owned or leased facilities.

Originating On-Net: A call terminating on and placed via company owned or company leased facilities.

Recurring Charges: The monthly charges to the Customer for services, facilities and equipment, which continue for the agreed upon duration of the service.

Presubscription: Presubscription is an arrangement whereby an end user may select and designate to the Telephone Company an interexchange carrier (IXC) to access, without an access code, for toll calls. This IXC is referred to as the end user's predesignated IXC.

Service Commencement Date: The first day following the date on which the Company notifies the Customer that the requested service or facility is available for use, unless extended by the Customer's refusal to accept service which does not conform to standards set forth in the Service Order or this tariff, in which case the Service Commencement Date is the date of the Customer's acceptance of service. The parties may mutually agree on a substitute Service Commencement Date.

Service Order: A request for local exchange service by the Customer in a format specified by the Company. Service Orders shall contain or reference the name and address of the Customer, a specific description of the services ordered, the rate to be charged, the duration of the services, and the terms and conditions in this tariff. The customer may initiate a Service Order by telephone, e-mail or other electronic means, or in writing, however, the Company reserves the right to require that Service Orders be executed by the Customer prior to initiating service.

Services: The Company's telecommunications services offered on the Company's network.

Speed Call: Provides a User with the option to call selected directory numbers by dialing a one or two-digit code.

Station: Telephone equipment from or to which calls are placed.

Trunk: A communications path connecting two switching systems in a network, used in the establishment of an end-to-end connection.

User: A Customer or any other person authorized by the Customer to use service provided under this tariff.

SECTION 2 – REGULATIONS**2. Regulations****2.1 Undertaking of the Company****2.1.1 Scope**

The Company undertakes to furnish communications service in connection with one-way and/or two-way information transmission between points within the State of Ohio under the terms of this tariff.

Customers may use services and facilities provided under this tariff to obtain access to services offered by other service providers. The Company is responsible under this tariff only for the services and facilities provided herein, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own Customers.

2.1.2 Shortage of Equipment or Facilities

2.1.2.1 The Company reserves the right to limit or allocate the use of existing facilities, or of additional facilities offered by the Company when necessary because of lack of facilities or due to some other cause beyond the Company's control.

2.1.2.2 The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the facilities the Company may obtain from other carriers, from time to time, to furnish service as required at the sole discretion of the Company.

2.1.3 Terms and Conditions

2.1.3.1 Except as otherwise provided herein, service is provided and billed on the basis of a minimum period of at least one month, and shall continue to be provided until canceled by the Customer. Unless otherwise specified herein, for the purpose of computing charges in this tariff, a month is considered to have 30 days. All calculations of dates set forth in this tariff shall be based on calendar days, unless otherwise specified herein.

2.1.3.2 Customers may be required to enter into written Service Orders which shall contain or reference the name of the Customer, a specific description of the service ordered, the rate to be charged, the duration of the services, and the terms and conditions in this tariff.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.1 Undertaking of the Company (Cont'd)****2.1.3 Terms and Conditions (Cont'd)**

2.1.3.3 At the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month to month basis at the then current rates unless terminated by either party upon 30 days written notice. Any termination shall not relieve Customer of its obligation to pay any charges incurred under the Service Order and this tariff prior to termination. The rights and obligations that by their nature extend beyond the termination of the term of the Service Order shall survive such termination.

2.1.3.4 Reserved for future use.

2.1.3.5 Another Telephone Company must not interfere with the right of any person or entity to obtain service directly from the Company.

2.1.3.6 The Customer has no property right to the telephone number or any other call number designation associated with services furnished by the Company. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business. Nothing in this provision shall be construed to be inconsistent with number portability requirements.

2.1.3.7 The Customer agrees to operate Company-provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void Company liability for interruption of service and may make the Customer responsible for damage to equipment pursuant to section 2.1.3.8 below.

2.1.3.8 The Customer agrees to return to the Company all Company-provided equipment delivered to Customer within five (5) days of termination of the service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to Customer, normal wear and tear only excepted. Customer shall reimburse the Company, upon demand, for any costs incurred by the Company due to Customer's failure to comply with this provision.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.1 Undertaking of the Company (Cont'd)****2.1.4 Liability of the Company**

Because the Customer has exclusive control of its communications over the services furnished by the Company, and because interruptions and errors incident to these services are unavoidable, the services the Company furnishes are subject to the terms, conditions, and limitations specified in this tariff and to such particular terms, conditions, and limitations as set forth in the special regulations applicable to the particular services and facilities furnished under this tariff.

2.1.4.1 The liability of the Company for damages arising out of the furnishing of these services, including but not limited to mistakes, omissions, interruptions, delays, or errors, or other defects, representations, or use of these services or arising out of the failure to furnish the service, whether caused by acts of commission or omission, shall be limited to the extension of allowances for interruption and any other remedies specified by the Commission pursuant to the Minimum Telephone Service Standards.

2.1.4.2 The Company shall not be liable or responsible for any special, consequential, exemplary, lost profits, or punitive damages, whether or not caused by the intentional acts or omissions or negligence of the Company's employees, agents or contractors.

2.1.4.3 The Company shall not be liable for any failure of performance or equipment due to causes beyond its control, including but not limited to: acts of God, fire, flood or other catastrophes; any law, order, regulation, direction, action, or request of the United States Government, or of any other government, including state and local governments having or claiming jurisdiction over the Company, or of any department, agency commission, bureau, corporation, or other instrumentality of any one or more of these federal, state, or local governments, or any civil or military authority; national emergencies; insurrections; riots; wars; unavailability of rights-of-way or materials; or strikes, lock-outs, work stoppages, or other labor difficulties.

2.1.4.4 The Company shall not be liable for any damages or losses due to the fault or negligence of the Customer or due to the failure or malfunction of Customer provided equipment or facilities.

2.1.4.5 The Company shall not be liable for the claims of vendors supplying equipment to Customers of the Company, which may be installed at premises of the Company, nor shall the Company be liable for the performance of said vendor or vendor's equipment.

2.1.4.6 The Company does not guarantee nor make any warranty with respect to installations it provides for use in an explosive atmosphere. The Customer indemnifies and holds the Company harmless from any and all loss, claims, demands, suits, or other action, or any liability whatsoever, whether suffered, made, instituted, or asserted by any other party or person(s), and for any loss, damage, or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location, or use of any installation so provided.

2.1.4.7 The Company shall not be liable for any damages whatsoever to property resulting from the installation, maintenance, repair or removal of equipment and associated wiring unless the damage is caused by the Company's willful misconduct or negligence.

2.1.4.8 The Company shall not incur any liability, direct or indirect, to any person who dials or attempts to dial the digits "9-1-1" or to any other person who may be affected by the dialing of the digits "9-1-1".

2.1.4.9 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.1 Undertaking of the Company (Cont'd)****2.1.4 Liability of the Company (Cont'd)**

2.1.4.10 Approval of limitation of liability language by the Commission does not constitute a determination by the Commission that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequential damage claim, it is also the court's responsibility to determine the validity of the exculpatory clauses.

2.1.4.11 Inclusion of early termination liability by the Company in its tariff or a contract does not constitute a determination by the Commission that the termination liability imposed by the Company is approved or sanctioned by the Commission. Customer shall be free to pursue whatever legal remedies they may have should a dispute arise.

2.1.5 Notification of Service-Affecting Activities

The Company will provide the Customer reasonable notification of service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notifications requirements. With some emergency or unplanned service-affecting conditions, such as outage resulting from cable damage, notification to the Customer may not be possible.

2.1.6.1 The Company shall use reasonable efforts to maintain facilities that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the facilities installed by the Company, except upon the written consent of the Company.

2.1.6.2 Equipment installed at the Customer Premises for use in connections with the services the Company offers shall not be used for any purpose other than that for which the Company provided it.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.1 Undertaking of the Company (Cont'd)****2.1.6 Provision of Equipment and Facilities**

2.1.6.3 The Company shall not be responsible for the installation, operation, or maintenance of any Customer provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Beyond this responsibility, the Company shall not be responsible for:

- (a) the transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
- (b) the reception of signals by Customer provided equipment; or
- (c) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

2.1.7 Non-routine Installation

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but at the Customer's request extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

2.1.8 Ownership of Facilities

Title to all facilities provided in accordance with this tariff remains in the Company, its agents or contractors.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.1 Undertaking of the Company (Cont'd)****2.1.9 Telecommunications Service Priority**

The Telecommunications Service Priority System is the regulatory, administrative and operational system authorizing and providing for priority treatment, to provide and restore National Security Emergency Preparedness Telecommunications service. Under the rules of the Telecommunications Service Priority System, The Telephone Company is authorized and required to provide and restore services with Telecommunications Service Priority assignments before services without such assignments. The provision and restoration of Telecommunications Service Priority System services shall be in compliance with Part 64, Appendix A, of the Federal Communications Commission's Rules and Regulations, the guidelines set forth in the Telecommunications Service Priority for National Security Emergency Preparedness Service User Manual and Service Vendor Handbook.

2.2 Prohibited Uses

2.2.1 The service the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.

2.2.2 The Company may require a Customer to immediately shut down its transmission of signals if said transmission is causing interference to others.

2.3.1 The Customer shall be responsible for:

- (a) the payment of all applicable charges pursuant to this tariff;
- (b) reimbursing the Company for damage to, or loss of, the Company's facilities or equipment caused by the acts or omissions of the Customer; or the noncompliance by the Customer, with these regulations; or by fire or theft or other casualty on the Customer's premises, unless caused by the negligence or willful misconduct of the employees or agents of the Company. The Company will, upon reimbursement for damages, cooperate with the Customer in prosecuting a claim against the person causing such damage and the Customer shall be subrogated to the Company's right of recovery of damages to the extent of such payment.

SECTION 2 – REGULATIONS**2. Regulations (Cont'd)****2.4.2 Station Equipment**

2.4.2.1 The Customer is responsible for providing and maintaining any terminal equipment on the Customer premises. The electric power consumed by such equipment shall be provided by, and maintained at the expense of, the Customer. All such terminal equipment must be registered with the FCC under 47 C.F.R., Part 68 and all wiring must be installed and maintained in compliance with those regulations. The Company will, where practicable, notify the Customer that temporary discontinuance of the use of a service may be required; however, where prior notice is not practicable, nothing contained herein shall be deemed to impair the Company's right to discontinue forthwith the use of a service temporarily if such action is reasonable under the circumstances. In case of such temporary discontinuance, the Customer will be promptly notified and afforded the opportunity to correct the condition that gave rise to the temporary discontinuance. During such period of temporary discontinuance, credit allowance for service interruptions as set forth in Section 2.6 following is not applicable.

2.4.2.2 The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

2.4.3 Interconnection of Facilities

2.4.3.1 Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing local exchange service and the channels, facilities, or equipment of others may be provided at the Customer's expense.

SECTION 2 – REGULATIONS**2.5.5 Deposits**

2.5.5.1 To safeguard its interests, the Company may, pursuant to the Minimum Telephone Standards as codified in Chapter 4901:1-5 of the Ohio Administrative Code, require a Customer to make a deposit prior to or at any time after the provision of service to the Customer to be held by the Company as a guarantee of the payment of rates and charges. A deposit may be required if the Customer does not otherwise satisfactorily establish credit under the criteria set forth in Chapter 4901:1-5 of the Telephone Service Standards as codified in Chapter 4901:1-5 of the Ohio Administrative Code. All deposits will be handled pursuant to the Minimum Telephone Service Standards as codified in Chapter 4901:1-5 of the Ohio Administrative Code. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. The deposit will not exceed an amount equal to:

- (a) two month's average monthly bill for all regulated local exchange services for the ensuing twelve months, plus thirty percent (30%) of estimated monthly recurring charges.

2.5.5.2 Reserved for future use.

2.5.5.3 When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded within 45 days from the date of termination. SECTION 2 – REGULATIONS**2. Regulations (Cont'd)**

2.9.3 All notices or other communications required to be given pursuant to this tariff will be in writing. Notices and other communications of either party, and all bills mailed by the Company, shall be presumed to have been delivered to the other party on the third business day following deposit of the notice, communication or bill with the U.S. Mail or a private delivery service, prepaid and properly addressed, or when actually received or refused by the addressee, whichever occurs first.

2.9.4 The Company or the Customer shall advise the other party of any changes to the addresses designated for notices, other communications or billing, by following the procedures for giving notice set forth herein.

2.9.5 Subscriber bills will contain all of the information required by 4901:1-5 of the Ohio Administrative Code.

2.10 Universal Emergency Number Service – 9-1-1

Where requested by local government authorities, and subject to the availability of facilities, the Company will provide a universal number “911” dialing to its customers for simplified emergency access police, fire, and other emergency services. 911 calls will be routed for answering to a Public Safety Answering Point (PSAP) as designated by the local government unit authorized to establish and operate such systems. The Company does not undertake to answer and forward 911 calls, but furnishes the use of its facilities to enable the local government unit or its designee to answer and respond to such calls.

The 911 Calling Party, by calling 911 Service, gives consent for the Company to provide 911 information consisting of the name, address, telephone number, and other calling party information when available, to Law Enforcement Agencies and other emergency service providers on a call-by-call basis for the purpose of enabling those agencies or service providers to respond to emergency calls for assistance. Database inquires for 911 information consisting of name, address, telephone number and other information when available, will only be allowed for purposes of dispatching or responding to 911 emergency calls or integrity verification as prescribed by the applicable state codes, rules or legislation.

Customers with Unlisted or Non-published numbers as well as those customers who have requested per line blocking forfeits the privacy afforded by these services on calls made to 911.

The provision of 911 Service by the Company shall not be interpreted, construed, or regarded as being for the benefit of or creating any Company obligation, either expressed or implied, toward any third person or legal entity other than the customer. The company’s entire liability to any person for interruption or failure of 911 Service shall be limited to the terms specified in this Tariff or by statute.

3.1.7 Enhanced Calling Features – are a set of optional features available to the Company's local exchange service Customers that provide additional calling functionality. The Company offers the following optional features.

Feature

Call Forward Busy - allows incoming calls to a busy line to be routed to a preselected line.

Call Forward No Answer - allows incoming calls to automatically route to a preselected line when the called station is not answered after a preset number of rings.

Call Forward Variable - allows a customer to activate routing of incoming calls to another line in their key system or to an external number.

Call Hold – permits a customer to place a call on hold by depressing the switch hook, dialing an access code and going on hook.

Call Park – attendant places a call on hold, a code is then dialed to retrieve the call from the parked position.

Call Pickup, Group – all the phones in an area can be answered by dialing a code.

Call Waiting – provides a tone to alert a customer that a second party is calling, and allows the customer to answer the incoming call while holding the original connection.

Conference Three-Way - allows the customer to add a third party to an established call without operator assistance.

Message Waiting – allows a visual, and/or audible tone signal when there is a message waiting.

Automatic Callback - by dialing a code this feature automatically returns the last incoming call whether or not it was answered.

Calling Number Delivery (Caller ID) - allows a customer to identify the telephone number from which the call is being made. The telephone number is displayed on a customer provided display device.

Calling Number Delivery w/ Name (Caller ID w/ Name) - works along with Caller ID, displays telephone number and listed name associated with the telephone number.

*Calling Number Delivery Blocking (Per Line)** - prevents the display of the calling telephone number on all calls dialed.

Serial Hunting – a series of telephone lines are organized so that if the first line is busy the next line is hunted and so on until a free line is found.

*NOTE: Calling Name/Calling Number Delivery Blocking (Per Line) charge is waived if the Customer has a Non-listed or a Non-published number.

3.2 Directory Assistance

A Customer may obtain Local Directory Assistance (DA) in determining telephone numbers within its local calling area by calling the Directory Assistance operator. The Customer may request a maximum of two telephone numbers per call to Directory Assistance service without additional charges. Directory Assistance includes the option for call completion to the requested number at an additional charge as specified below. The Call Completion option provides, when selected by the customer, for the automatic dialing of the requested number.

3.2.1 Each call to Directory Assistance will be charged as follows.

	<u>Residential</u>	<u>Actual</u> <u>Business</u>
DA, per call	\$2.99	*
DA, with call completion	\$2.99	*

3.2.2 A credit will be given for calls to Directory Assistance as follows:

- The Customer experiences poor transmission or is cut-off during the call; or
- The Customer is given an incorrect telephone number.

To obtain such a credit, the Customer must notify Company's Customer Service representative.

* Detariffed services available to business customers are located in the Company Pricing Guide.

LOCAL EXCHANGE SERVICES

SECTION 3 – SERVICE DESCRIPTIONS AND RATES3. Service Descriptions (Cont'd)3.4 Directory Listings

The Company shall provide a single directory listing, termed the primary listing, in the telephone directory published by the local exchange provider in the Customer's exchange area of the Station number which is designated as the Customer's main billing number. Directory listing of additional Company Station numbers, other than the Customer's main billing number, associated with a Customer's service will be provided for an additional monthly recurring charge per listing.

3.4.1 The Company reserves the right to limit the length of any listing in the directory by the use of abbreviations when, in its judgment, the clearness of the listing or the identification of the Customer is not impaired thereby. When more than one line is required to properly list the Customer, no additional charge is made.

3.4.2 The Company may refuse a listing which is known not to constitute a legally authorized or adopted name, contains obscenities in the name, or any listing which, in the opinion of the Company, is likely to mislead or deceive calling persons as to the identity of the listed party, or is a contrived name used for advertising purposes or to secure a preferential position in the directory or is more elaborate than is reasonably necessary to identify the listed party. The Company, upon notification to the Customer, will withdraw any listing which is found to be in violation of its rules with respect thereto.

3.4.3 Each listing must be designated Government, Business, or Residence to be placed in the appropriate section of the directory. In order to aid the user of the directory, and to avoid misleading or deceiving the calling party as to the identity of the listed party, only business listings may be placed in the Business Section and only residential listings in the Residential Section. The Company, upon notification to the Customer, will withdraw any listing that is found to be in violation of its rules with respect thereto.

3.4.4 In order for listing to appear in an upcoming directory, the Customer must furnish the listing to the Company in time to meet the directory publishing schedule.

3.4.5 Directory listings are provided in connection with each Customer service as specified herein.

3.4.5.1 Primary Listing: A primary listing contains the name of the Customer, or the name under which a business is regularly conducted, as well as the address and telephone number of the Customer. This listing is provided at no additional charge.

3.4.5.2 Additional Listings: In connection with local exchange service, additional listings are available only in the name of Authorized Users of the Customer's service, as defined herein.

3.4.5.3 Nonpublished Listings: Listings that are not printed in directories or available from Directory Assistance. A Nonpublished Telephone Service will be furnished, at the Customer's request providing the omission or deletion of the Customer's telephone listing from the telephone directory and, in addition, the Customer's telephone listing will be omitted or deleted from the directory assistance records, subject to the provisions set forth in Section 2.1.4.

3.4.5.4 Nonlisted Numbers: A Nonlisted number will be furnished at the Customer's request, providing for the omission or deletion of the Customer's listing from the telephone directory. Such listings will be carried in the Company's directory assistance and other records will be given to any calling party.

3.4.5.5 Foreign Listings: Where available, a listing in a phone directory which is not in the Customer's immediate calling area. The Customer will be charged the rates specified in the tariff published by the specific exchange carrier providing the Foreign Listings.

3.4.5.6 Alternate Call Listings: Where available, a listing that references a telephone number that is not the primary listing for the Customer. The Customer must provide written verification that the alternate telephone number is authorized to accept calls.

3.4.5.7 Reference Listing: A listing including additional telephone numbers of the same or another Customer to be called in the event there is not an answer from the Customer's telephone.

3.4.5.8 Recurring Charges: Monthly Recurring Charges associated with Directory Listings are as follows:
