

# Public Utilities Commission

Case No.: 09 -690-EL-REN

## AFFIDAVIT

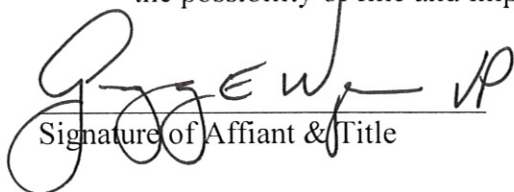

State of INDIANA :

INDIANAPOLIS ss.  
(Town)

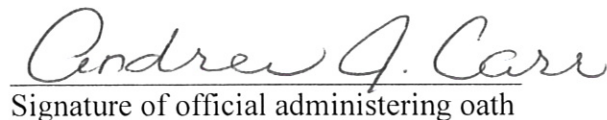

County of MARION :

GREG E. WAGONER, Affiant, being duly sworn/affirmed according to law, deposes and says that:

1. I am the duly authorized representative of [type in the name of the renewable generating facility as it appears in Section A of your application].
2. I have personally examined and am familiar with all information contained in the foregoing application, including any exhibits and attachments, and that based upon my inquiry of those persons immediately responsible for obtaining the information contained in the application, I believe that the information is true, accurate and complete.
3. The facility has obtained or will obtain and will maintain all required local, state and federal environmental permits.
4. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

  
Signature of Affiant & Title

Sworn and subscribed before me this 25 day of September 2009 Month/Year

  
Signature of official administering oath

  
Print Name and Title  
Admin.  
Asst.

My commission expires on September 3, 2015

---

### Type of Generating Facility

Please check all of the following that apply to your facility:

☒ Utility Generating Facility:

☐ Investor Owned Utility

☒ Rural Electric Cooperative

☐ Municipal System

☐ Electric Services Company (competitive retail electric service provider)

☒ Distributed Generation with a net metering and interconnection agreement with a utility.  
Identify the utility: **NIPSCO**

☐ Distributed Generation with both on-site use and wholesale sales.  
Identify the utility with which the facility is interconnected:

☐ Distributed Generation, interconnected without net metering.  
Identify the utility with which the facility is interconnected:

Note: if the facility does not yet have an interconnection agreement with a utility or transmission system operator, please note here the status of the application for such an agreement:

**Wabash Valley and NIPSCO have an interconnection agreement in place dated 7/31/07 specifically for this facility.**

---

## Meter Specifications

*All facilities are required to measure output with a utility grade meter. Please provide this information for each meter used in your system.*

Manufacturer: GE

Serial Number: 704757

Type: Phase 3

Date of Last Certification: 10/28/06

Attach a photograph of the meter with date image taken. The meter reading must be clearly visible in the photograph.

Total kWh shown on meter at time of photograph: 57 kWh

*The Public Utilities Commission of Ohio reserves the right to verify the accuracy of the data reported to the tracking system and to the PUCO.*

**This foregoing document was electronically filed with the Public Utilities**
