APPLICATION FOR APPROVAL OF A NEGOTIATED AGREEMENT UNDER THE TELECOMMUNICATIONS ACT OF 1996

United Telephone Company of Ohio d/b/a Embarq applies to the Commission for review and approval of the attached Resale Agreement that is dated September 10, 2009, ("the Agreement") between United Telephone Company of Ohio d/b/a Embarq ("Embarq") and Metropolitan Telecommunications of Ohio, Inc. d/b/a MetTel. ("CLEC"), pursuant to the provisions of Section 252(e) of the Telecommunications Act of 1996, Pub. L. 104-104, 110 Stat. 56 (1996) (codified at 47 U.S.C. 151 et.seq.) ("the Act").

The Agreement, which establishes the rates, terms and conditions for resale, was arrived at through negotiations between Embarq and CLEC as contemplated by Section 252(a) of the Act.

The Agreement is filed pursuant to the procedures set forth in Section 252(e) of the Act. Under Sections 252(e) (1) and (2), the Commission must approve the Agreement unless the Agreement or a portion thereof "...discriminates against a telecommunications carrier not a party to the agreement" or "...implementation of such agreement or portion is not consistent with the public interest, convenience and necessity."

The attached Agreement does not discriminate against any telecommunications carrier that is not a party to the Agreement. Embarq will make the Agreement available to any other carrier operating in Embarq service territory. However, the Agreement does not preclude different arrangements with other carriers. In addition, this Agreement does not impact any other company's right to negotiate or arbitrate under the Act.

The attached Agreement is consistent with the public interest, convenience and necessity because it allows for transmission and termination of Local Traffic between Embarq and CLEC. The Agreement represents the end product of good faith negotiations between Embarq and CLEC. This is exactly the type of private negotiation and agreement envisioned by the Congress when it crafted the Act. Therefore, the implementation of the Agreement will be consistent with the public interest, convenience and necessity.

Embarq requests that the Commission approve the Agreement.

Respectfully submitted,
