Re: AMP-Ohio Generating Station, Documentation  
Letart Township, Meigs County, Ohio

Dear Mr. Kiesewetter,

This is in response to information from your office provided September 11, 2009, concerning documentation required under provisions of the Memorandum of Agreement for this project. The comments of the Ohio Historic Preservation Office (OHPO) are submitted in accordance with provisions of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470 [36 CFR 800]).

In partial fulfillment of terms of the MOA, AMP-Ohio prepared photographic documentation of the Glenn House and the Letart Elementary School and compiled a memory book of the Letart Elementary School. The photographs and memory book are to be presented to the Meigs County Historical Society. We appreciate the opportunity to view the documentation prior to its transfer. The large, color photographs show current conditions at these properties. We acknowledge your effort in preparing the documentation and agree that the documentation meets or exceeds provisions of MOA Stipulations I.A., I.B, I.D, and II.A.

We appreciate your efforts in preparing this documentation. Please keep us informed of developments during project construction and when work on stipulations in the Memorandum of Agreement has been completed. Any questions concerning this matter should be addressed to David Snyder at (614) 298-2000, between the hours of 8 am. to 5 pm. Thank you for your cooperation.

Sincerely,

David Snyder, Ph.D., RPA, Archaeology Reviews Manager
