CHOICE ONE COMMUNICATIONS OF OHIO, INC.
D/B/A ONE COMMUNICATIONS
MOTION FOR EXTENSION OF TIME IN WHICH
TO ACTIVATE TELEPHONE NUMBERING RESOURCES

Choice One Communications of Ohio, Inc. d/b/a One Communications ("ONE"), respectfully requests that the Public Utilities Commission of Ohio ("Commission") grant ONE an extension of time in which to activate one thousand-block of telephone numbers that are otherwise subject to reclamation. Reclamation of the numbers would cause ONE significant hardship. For the reasons set forth below, ONE respectfully requests an extension of ninety (90) days in which to place the affected telephone numbering resources into service.

ONE was recently notified by the Commission Staff that block # 1 in the (614) 375 code, previously assigned to ONE have become subject to reclamation for reasons of inactivity. ONE has been unable to activate these telephone numbers within the required timeframe due to delays in getting the E911 trunking in the Pittsburgh meta-switch operational. A notarized affidavit from ONE Code Administrator Shannon Suppa providing additional detail is provided herein in support of ONE's request for an Extension.

An extension of time is appropriate under these circumstances. Given the short duration of the requested extension and the expectation that the matter will be resolved in the very near future, granting ONE's request is appropriate. For the foregoing reasons, ONE's respectfully requests that its Motion be granted.

Respectfully submitted,

One Communications

ONE COMMUNICATIONS' MOTION FOR EXTENSION
OF TIME IN WHICH TO ACTIVATE TELEPHONE NUMBERING RESOURCES

AFFIDAVIT OF SHANNON SUPPA

1. My name is Shannon Suppa. I am over eighteen (18) years of age, competent to testify as to the matters contained herein, and the statements made are based upon my personal and direct knowledge and information.
2. I am the Code Administrator for Choice One Communications of Ohio, Inc. d/b/a One Communications ("ONE").
3. In December 2008, the code 614-375 became effective to use.
4. ONE needs this code in order to establish an LRN (614-375-1999) in Columbus in order to start new E911 trunking to a new META-switch in Pittsburgh. The code was due to be operational by June 2009
5. Due to unexpected engineering and operational issues, the project was delayed. The engineering and operational issues have been identified and corrected.
6. The code is still needed to complete the E911 trunking. It will take thirty (30) to ninety (90) days to complete this project, and the numbers will be utilized
7. This concludes my affidavit.

Further affiant sayeth naught.

Shannon Suppa
