Attention: Cheryl Roberto, Commissioner

Dear Commissioner Roberto,

I want to express to you and others in your office that I cannot accept a 23.57 percent increase in my water rates. This is a ridiculous attempt to rob from the poor.

I am a single working woman who is looking forward to retirement in a few short years. With increases like this and others it will cause a hardship for people like me. I have worked hard all my life, raised my children by myself and have tried to save some for my retirement. Please do not let Ohio American Water Company increase their fees.

Thank you.
