Buckeye Wind Project-Case No.: 08-0666-EL-BGN Ohio Power Siting Board 180 East Broad Street Columbus, OH 43215

This letter is to express my support for the proposed Buckeye Wind Project in Champaign County. I strongly believe that the Buckeye Wind Project will provide many positive benefits to our community.

The Buckeye Wind Project will provide millions in tax revenue to schools and local government. Money we would not have if the turbines do not come.

The landowners are being paid money for these turbines. Where do you think this money will end up? Most of the money will be spent in Champaign County. Again, money going directly into businesses in Champaign County. This is a win, win situation.

Sincerely,
