Letter of Notification
Structure Number 365 Replacement,
Canton Central-Cloverdale & Cloverdale-Torrey
138 kV Transmission Lines Project
Case No. 09-0772-EL-BLN

Dear Ms. Jenkins,

In the above mentioned case, a typographical error occurred on page eight (8) of the Letter of Notification. For your convenience, a new page eight (8) is attached.

The typographical error in the document indicates that the LON was provided to officials of Camden Township and Lorain County. The line should read "This LON is being provided concurrently to the following officials of the City of Massillon and Stark County." It should also be noted that the LON did provide the correct names and officials of the City of Massillon and Stark County, Ohio below this sentence, and the LON was served on these officials.

The revised page eight (8) should be amended to the LON for the Structure Number 365 Replacement, Canton Central-Cloverdale & Cloverdale-Torrey 138 kV Transmission Lines Project Case No. 09-0772-EL-BLN. This action should clear up any misinterpretation about the public officials that the LON, Case No. 09-0772-EL-BLN, was provided to.

Should the Ohio Power Siting Board desire further information or discussion of this submittal, please contact me at (330) 384-2526.

Sincerely,
