RE: PNG Telecommunications, Inc. d/b/a PowerNet Global Communications  
Addition of Assumed Names.

To Whom It May Concern:

PNG Telecommunications, Inc. d/b/a PowerNet Global Communications will be operating in the state of Ohio under two additional assumed named. These names, Thr!ve Communications and CrossConnect, have been filed with the Secretary of State's office.

These d/b/a's are being adopted to launch new product lines. Thr!ve Communications will be providing mainly VOBB services, but some traditional services could be added per the customers request. CrossConnect is a Christian service brand.

These d/b/a's will be used for new customers and no existing customers will be affected by the adoption of these names therefore, no notice is needed.

PNG wishes to add these names to the local exchange tariff. Also enclosed in this filing please find a certificate of Good Standing from the Secretary of State's office, Certificate of Trade Name for both names, as well as a new Title Sheet that will be used upon approval from the commission.

Questions regarding this filing may be directed to me at the numbers listed above.

Sincerely,

Robert Johnson
