**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application of The Dayton)
Power and Light Company to Establish a Fuel) Case No. 09-1012-EL-UNC
Rider.)

MOTION TO INTERVENE OF INDUSTRIAL ENERGY USERS-OHIO

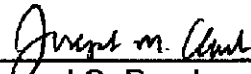

Industrial Energy Users-Ohio ("IEU-Ohio") hereby respectfully moves the Public Utilities Commission of Ohio ("Commission"), pursuant to Section 4903.221, Revised Code, and Rule 4901-1-11, Ohio Administrative Code, for leave to intervene in the above-captioned matters with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the Ohio Administrative Code, to intervening parties.

On October 30, 2009, the Dayton Power and Light Company ("DP&L") filed an Application to establish a bypassable fuel recovery rider pursuant to its approved Stipulation and Recommendation in its electric security plan ("ESP") case.

As demonstrated further in the Memorandum in Support attached hereto and incorporated herein, IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in the above-captioned proceedings, and is so situated that the disposition of these proceedings may, as a practical matter, impair or impede its ability to protect that interest. IEU-Ohio believes that its participation will not unduly prolong or delay these proceedings and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in these proceedings. The interests of IEU-Ohio will not be adequately represented by other parties to the

proceedings and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of the Ohio Administrative Code, to intervening parties.

Respectfully submitted,

Samuel C. Randazzo (Counsel of Record)

MEMORANDUM IN SUPPORT

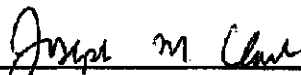

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. A current listing of IEU-Ohio member companies is available on IEU-Ohio's website at http://www.ieu-ohio.org/member_list.aspx. IEU-Ohio's members purchase substantial amounts of electric and related services from DP&L, which is a public utility subject to the jurisdiction of the Commission.

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices. To this end, IEU-Ohio has worked, including actively participating in the legislative process related to SB 221, and will continue to work to produce legislative, regulatory, and market outcomes that are consistent with the state policy contained in Section 4928.02, Revised Code.

Many of IEU-Ohio's member companies are served by DP&L and may be affected by DP&L's proposed fuel recovery rider. IEU-Ohio has a real and substantial interest inasmuch as these proceedings may directly or indirectly impact the provision of electric service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in these proceedings is the result of the effect that these proceedings

shall have upon the price, adequacy, and reliability of the electric supply and related services within Ohio, including the areas presently served by DP&L.

Respectfully submitted,

Samuel C. Randazzo (Counsel of Record)
