Fight the Hike Ohio Web Site Petition

Petition Summary and Background:

The undersigned ratepayers served by Ohio American Water (OAW) vehemently oppose the utility's efforts to raise rates 60 percent over the next four years. If OAW's request for a multi-year rate hike is approved, the company will have raised rates 325 percent since purchasing the system in 2002.

Action Petitioned For:

We, the undersigned, believe it is the role of a regulating body like the PUCO to represent the interests of consumers and the communities in which they live from the tyranny of monopolistic utilities. We implore the PUCO to recognize the impact of OAW's greed on Ohio residents and communities, and deny OAW's exorbitant rate increase request.
