**CUSTOMER NOTICE**

**BILL MESSAGES** to all Ohio phone customers:

“Effective January 2010, the rate for your Primary Phone Access Line rate will increase by \$3.00 from \$15.65 to \$18.65 per month. This is largely due to continuing investment to enhance the quality and reliability of your service.”

Note that the Primary Phone Line rate increase may be less for customers currently participating in promotional offers. Those customers have received the same notice, with the exact amount of the Primary Access Line rate change applying to them.

I, Gregory Cameron, verify that to the best of my knowledge the Customer Notice described above was provided to all Insight Phone of Ohio, LLC customers of record as a message included on the customer billing statements in December, 2009. Also included on the customer bill statements was a toll-free customer service telephone number for customer inquiries.
