**Re: McDonald Village North Distribution Line Replacement
Ohio Power Siting Board Case No. 10-145-GA-BNR**

Dear Kim:

Dominion East Ohio Company ("Dominion East Ohio") filed a Construction Notice for authority to replace +/-2,800 feet of the existing twelve inch high pressure distribution pipeline (L# 4999) and +/-2,800 feet of the existing parallel eight inch high pressure pipeline (L# 412). Each line runs north along the east side of McDonald Avenue from the intersection of Ohltown-McDonald Road and McDonald Avenue in the Village of McDonald. Dominion East Ohio will be submitting payment of \$2,000 so that the Construction Notice would be treated on an expedited basis.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
