In the Matter of the Application of The)
Dayton Power and Light Company for) Case No. 10-078-EL-ATA
Approval of its Extension of Electric) Case No. 06-653-EL-ORD
Facilities Tariff.)

FINDING AND ORDER

The Commission finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in Section 4905.02, Revised Code, and, as such, is subject to the jurisdiction of this Commission.
- (2) On November 5, 2008, in Case No. 06-653-EL-ORD, the Commission adopted revisions to Chapter 4901:1-9 of the Ohio Administrative Code (O.A.C.), which included revisions to Rule 4901:1-9-07, O.A.C., regarding electric line extensions.
- (3) On May 6, 2009, the Commission issued an entry on rehearing in Case No. 06-653-EL-ORD, which ordered the electric utilities to file applications to revise their tariffs to be consistent with the revised rules within 60 days of the effective date. Revised Rule 4901:1-09-07, O.A.C., became effective on August 29, 2009.
- (4) In response to the Commission's directive, on August 28, 2009, DP&L filed its compliance tariff in Case No. 06-653-EL-ORD. On January 25, 2010, DP&L refiled its electric line extension tariff in the form of an application for tariff approval in Case No. 10-0078-EL-ATA. In this application, DP&L proposes to revise its tariff sheets associated with the rules, regulations, and practices for the extension of electric facilities.
- (5) The Commission has reviewed the application to revise the company's tariff sheets, as well as the associated revised tariff sheets, and finds that the modified provisions filed pursuant to Section 4909.18, Revised Code, comply with the requirements of Rule 4901:1-9-07, O.A.C., are not for an increase in any rate, and do not appear to be unjust and unreasonable. Therefore, we find that the application should be approved.

It is, therefore,

ORDERED, That DP&L's application to revise its electric line extension tariff filed in Case Nos. 10-078-EL-ATA and 06-653-EL-ORD be approved. It is, further,

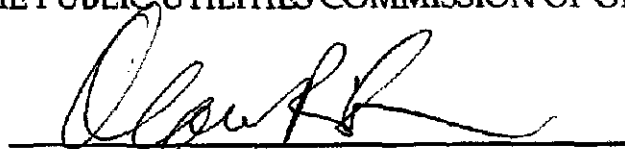

ORDERED, That DP&L is authorized to file, in final form, four complete copies of the tariff, consistent with this finding and order. DP&L shall file one copy in its TRF docket (or make such filing electronically as directed in Case No. 06-900-AU-WVR) and one copy in this case docket. The remaining two copies shall be designated for distribution to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department. It is, further,

ORDERED, That the effective date of the new tariff shall be a date not earlier than both the date of this finding and order the date upon which final tariffs are filed with the Commission. It is, further,

ORDERED, That nothing in this finding and order be binding upon this Commission in any future proceeding or investigation involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

ORDERED, That a copy of this finding and order be served upon DP&L and all parties of record.
