COMPLAINT DESCRIPTION:

The distribution of 2 energy efficient light bulbs by Ohio Edison and the others has to stop. How could they have gotten away with this? We DO NOT WANT ANY OF THEIR BULBS, or the new charges for them, PERIOD. We have enough of them already. We have already changed many of them in our home in order to save on our electric bill. If they do deliver the bulbs here I will, personally, shove them up the persons butt, at no charge.
