ENTRY

The Commission finds:

- (1) On June 9, 2009, Manny and Judi Naft (complainants) filed a complaint against The Cleveland Electric Illuminating Company (CEI). The complainants, customers of CEI, seek reimbursement of \$645.50 from CEI for a bill related to repair charges. The issue presented by the complainants is who is responsible for repairs to the facilities that provide electrical service to the complainants' home.
- (2) CEI filed an answer to the complaint on June 9, 2009, admitting to charging complainants for certain maintenance services. However, CEI denied all material allegations of the complaint, asserting that it has complied with its applicable tariff, all rules and regulations of the Commission, and Ohio law.
- (3) Pursuant to an entry issued by the attorney examiner on August 26, 2009, the parties appeared for a September 2, 2009, settlement conference.
- (4) On December 7, 2009, the parties filed a joint motion to dismiss. The parties explain that they have informally resolved all issues. The parties, therefore, request that the complaint be dismissed with prejudice.
- (5) The Commission finds that the parties' request to dismiss the complaint, with prejudice, is reasonable and should be granted.

It is, therefore,

ORDERED, That, the request to dismiss the complaint, with prejudice, be granted.  
It is, further,

ORDERED, That, Case No. 09-418-EL-CSS be dismissed with prejudice. It is,  
further,

ORDERED, That a copy of this entry be served upon all parties of record.
