Docketing Case No.: 10-0176-EL-ATA

Notes: I would like to file a complaint about the June 2009 OUTRAGEOUS increase in electric rates. I have an all electric home and I cannot believe an increase like this was approved! Bills more than DOUBLE! A litte flyer inserted in my bill in June --- read the fine print approach - sounds like a sham to me!

What is being done to look out for the consumer? Electric doubles at the same time Natural Gas announces a major decrease now. First Energy announces purchase Allegheny and even become more monopolistic. This is piracy and a ploy to stick it to the consumer even more.....

A few hundred dollars in these times is huge! HELP already! This increase must be repealed!!!! And rebates given!
