Re: Susan Bacon 376 Wilson St

Defiance, OH 43512

Docketing Case No.: 09-580-EL-EEC

Notes: I do not feel First Energy should be abel to charge my account for light bulbs I may not need--I have some-- I would buy what I need from them--- do not like things force on me. I shouldn't have to pay for someone elses.

Plus once they put a charge on they never take it off---- Not happy bulbs have mercury in them--
