Docketing Case No.: 10-0176-EL-ATA

Notes: Regardless of the "unintended" consequences of dropping my ALL ELECTRIC status First Energy broke a contract with me that was entirely their idea in the first place. When I built my jouse in 1978 they came to me with the ALL ELECTRIC offer. I accepted and have stayed a loyal customer. I even put in new electric burners in my furnace and put in a new heat pump when my old one wore out. A Deal is a Deal. I've lived with you for 32 years, now you have to live with me.

am adamantly opposed to First Energy's case 10-0176-EL-ATA and demand the PUCO NOT to approve it! As an all-electric customer, there are many reasons I am opposed to the case. First of all, the case proposes a cap of a 20% increase to my current bill over last year's bill, but 20% is too much! The case also proposes phasing in the remaining rate increase over the next 8 years which is completely unacceptable and will render the future sale of my home impossible. Finally, the case claims First Energy needs to raise small business rates to recover the costs of additional residential credit and this is simply wrong! First Energy needs to fully honor its 30 year promise to offer discounted all-electric rates to all-electric home owners, and if they need to find a funding source for this, I suggest taking it from their 2009 one billion dollars in profits or the 13 million dollar salary of its president! I am also adamantly opposed to First Energy's case 090906-EL-SSO and understand the OCC also opposes this issue! In this case, First Energy is requesting the elimination of a current credit the all-electric home owners are receiving to off-set the ridiculous 106% increase in distribtuion costs. The credit First Energy is asking to remove is the "Residential Distribution Credit" and if this credit is removed, our bills will increase an additional 20% on top of where they are at now!!! You must not eliminate the "Residential Distribtuion Credit" but rather fully reinstate our original all-electric rate structure and fulfill your 30 year long promise!
