Investigation Report

Project Description: This project involves the relocation of one transmission line structure approximately 9 feet west of its present location. The project is necessary to accommodate the City of Toledo's widening of Secor Road. The relocated pole will remain within public road r-o-w.

Site Description: This project is located in the City of Toledo, Lucas County. Saint Anne Mercy Hospital is adjacent to the road widening.

Discussion/Comments/Concerns: The construction of this project should pose only minimal negative social and ecological impacts.
