COMMENT DESCRIPTION:

Dear PUCO, We are opposed to elimination of the Residential Distribution Credit that our neighbors have. Please add this comment to Case No. 09-906-EL-SSO. We are an all-electric home that has not received that credit as we bought after 2007 but we cannot afford to have you overlook us in the permanent rate negotiations because the Distribution rate effective 2009 is prohibitive to us as we use well over 500 KWHs in the winter months.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business
