Dear Dr. Schriber:

I have been directed by the Plain Township Board of Trustees to forward this resolution to your attention.

On March 23, 2010, the Board unanimously voted to pass resolution #10-139 to object to the proposed 20% Aqua Ohio increase. The Board feels it has a significant interest in the issues pertinent to the effect of the prices of water for the Plain Township residents and businesses. It is their belief that the citizens and businesses of Plain Township, Stark County would be adversely affected by such an increase in expenses and they ask the Commission to please take this into consideration.

Thank you for your attention to this matter. Please feel free to contact me if you have any questions at (330) 492-4689.

Sincerely,

Lisa Sabina-Campbell
Administrator
