Docketing Case No.:

Notes:

All-Electric= Case No. 10-176-EL-ATA \$390 million in General Distribution
Increases= Case # 10-388-EL-SSO

I cannot afford rate increases on my all electric home. My income is down
24% from last year due to economic conditions and I will soon be on a
fixed income. These increases are lowering the market value of my home
and the entire Meadowood subdivision. All home sales here are in limbo
because of this proposed rate increase.

The original all-electric rate should be restored and made permanent,
attached to the HOME not the OWNER and overcharges made by First Energy
between May 2009 and March 2010 must be refunded in full.

Please docket the attached in the case number above.
