COMPLAINT DESCRIPTION:

I am opposed to the unauthorized increase in electric rates by First Energy/The Illuminating Company (CASE NO 10-0388). I lived in an all-electric house in Brecksville, Ohio from 1977 to 2007. I built a new all-electric home in 2007 in Broadview Heights, Ohio (address above) because I was led to believe the electric rates would not be increased. I was satisfied with the electric rates and chose electric heating over gas heating in my new house based on this belief.
