TODAY'S CANTON REPOSITORY:

Dominion gas bills going up to cover
poor 10 percent of customers can't
pay monthly costs

Unless you're a millionaire who writes
off his/her bills on their income taxes,
or a poor homeless person or an illegal
immigrant living in this country, the
P.U.C.O., the utility companies, and the
government will take every red cent that
you honestly earned, away from you.
A 62 to 65 yr. old senior citizen in this
country is literally screwed.
