To Whom It May Concern **WJCO**

We bought a all electric duplex in 1977 from the builder, and owner Allen Henslee a employee of the Illuminating Company who told us that the All Electric Discount was permanent, we would never have bought this home without this discount. You had no legal right to allow First Energy to discontinue this discount, and we expect you to force First Energy to reinstate this discount on a permanent basis just like it was!

P.S. What you, and First Energy did constitutes Fraud!
