COMPLAINT DESCRIPTION:

Please include this complaint in the docket for case 10-388. We are an all-electric household. We First Energy's request for an increase in our distribution rate. Our electric bills doubled to over \$600. Also, we own a mobile home park. Our tenants who mostly own all-electric homes are having to choose between food or paying their electric bill. Many are moving out because they can no longer afford the electricity.
