Docketing Case No.: 10-388-EL-SSO

Notes: Re Docket Case #10-388 - As an "all electric" homeowner, I wish to protest the Illuminating Company's request to "fast track" it's \$390 million Rate Distribution request. It is imperative that the PUCO fully understand what impact such an increase would have on we owners of all-electric homes. The PUCO's failure to do so with the recent request to eliminate the discounted all-electric home rates resulted in unduly burdensome increases in those rates, and I fear that the same could be true if the PUCO does not fully understand the impact of the Rate Distribution request. Please do not allow it to be fastracked.

Please docket the attached in the case number above.
