Chairman
Public Utilities Commission of Ohio
180 E. Broad Street
Columbus, OH 43215-3793

Case Number: 10-388-EL-SSO

Dear Mr. Schriber:

As the Cleveland City Councilmember representing Ward 6 which encompasses Cleveland Clinic's Main Campus, I write to request that the Public Utilities Commission of Ohio support language included in the electric security plan filed March 23, 2010, by Ohio Edison, The Cleveland Electric Illuminating Company and Toledo Edison. This language will provide utility infrastructure upgrades to support a massive expansion at the Cleveland Clinic Main Campus and provide much needed jobs to residents of the City of Cleveland and our region.

I am encouraged to learn of Cleveland Clinic's capital commitment to invest \$1.4 billion at its Main Campus location. This initiative will develop more than 1,000 new jobs in my ward. Further, this construction effort will generate hundreds of additional jobs. In total, these jobs will advance our region and state while supporting our largest employer. Cleveland Clinic continues to be an economic engine for our residents, and I hope you will join me in supporting their efforts.

Thank you for your consideration of this request.

Sincerely,

Mamie J. Mitchell
