RE: Columbia Gas of Ohio, Inc.  
Construction Notice:  
Marion Road – District Regulator Station #207 Replacement  
PUCO Case No. 10-xxx-GA-BNR

10-634-GA-BNR

PUCO

RECEIVED-DOCKETING DIV  
2010 MAY 11 AM 11:46

Dear Ms. Jenkins:

In accordance with Ohio Administrative Code (OAC) §4906-11-02, Columbia Gas of Ohio, Inc. (Columbia) hereby transmits one (1) original and eleven (10) copies of the enclosed proposed project known as the Marion Road – District Regulator Station #207 Replacement Project.

The project area is located at the intersection of Marion Road and Champion Avenue in Columbus, Franklin County, Ohio.

Please be advised of the following:

1. **Project Name:** Marion Road – District Regulator Station #207 Replacement
2. **Project Description:** This project is a condition replacement project initiated by Columbia Gas of Ohio, Inc. Certain pipeline segments of the project will encroach into the public right of way of Marion Road and will be designed to mitigate any conflicts with a proposed roadway improvement of Marion Road currently under design by the City of Columbus. A map of the proposed work by Columbia Gas of Ohio, Inc. is attached with this submission.

This project is being submitted as a Construction Notice (BNR) because it is viewed as meeting the requirements in OAC 4906-1 'General Provisions for Filings and Proceedings Before the Ohio Power Siting Board' as indicated by the following:

- A) 4906-1-01 (Q); Definition of a Gas Transmission Line
- B) 4906-1-01 Appendix B; item (5) of the 'Application Requirement Matrix for Gas Transmission Lines' (The City of Columbus is acquiring segments of additional right-of-way in order to construct this roadway project).

3. **Project Need:** This project is a condition replacement project initiated by Columbia Gas of Ohio, Inc.
4. **Schedule:** Construction is planned to start as early as July 1, 2010 with an expected end date of October 1, 2010.
5. **Estimated Capital Cost:** The capital cost of the Marion Road – District Regulator Station #207 Replacement project is approximately \$1,300,000.

File is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business  
Technician \_\_\_\_\_ Date Processed MAY 11 2010

6. **Operating Characteristics:** The proposed Marion Road – District Regulator Station #207 Replacement project includes the installation of the following facilities:

Facility	Size	Quantity	System	MAOP
High Pressure to High Pressure Regulation	6-inch	3 Runs	34100199	174psig
High Pressure to Medium Pressure Regulation	4-inch	2 Runs	34100199	174psig
Valve Setting	16-inch x 16-inch	1 Setting	34100199	174psig
Valve Setting	20-inch x 16-inch	1 Setting	34100232	50psig
Coated Steel High Pressure Main	8-inch	100'	34100165	95psig
Coated Steel High Pressure Main	16-inch	250'	34100199	174psig
Coated Steel Medium Pressure Main	16-inch	175'	34100232	50psig
Coated Steel Medium Pressure Main	20-inch	225'	34100232	50psig

The regulation facilities, valve settings, and portions of the mainline facilities will be installed within the existing lot boundaries owned by Columbia Gas of Ohio, Inc. The remaining segments of the pipeline facilities will be installed in the public right-of-way of Marion Road or within proposed pipeline easements currently being pursued by Columbia Gas of Ohio, Inc. A drawing showing the proposed location of the various facilities is attached.

7. **Map and Directions:** A USGS map of the project location along with a more detailed overview drawing is attached to this Construction Notice. In order to locate the proposed site from 180 East Broad Street travel east on East Broad Street for approximately  $\frac{3}{4}$  of a mile to Parsons Avenue, turn south on Parsons Avenue and travel approximately  $2\frac{3}{4}$  mile to Marion Road, turn east on Marion Road and travel just over  $\frac{1}{2}$  mile to S. Champion Road and the project location.
8. **Property List of Additional Easements:** New pipeline easements are planned in order to construct and operate segments of the proposed coated steel medium pressure mainline facilities. Permanent and / or pipeline easements are being pursued by Columbia Gas of Ohio, Inc. at the following addresses:

809 Marion Road  
Central Ohio Oil

869 Marion Road  
AEP

After docketing this filing, please return one time-stamped copy of the Construction Notification for our records to us in the enclosed envelope. We have provided a copy of the Construction Notification by certified mail, with return receipt requested, to each official of the political subdivisions immediately affected by the proposed project as listed in the attached Exhibit 1. Copies of the transmittal letters addressed to the local government representatives of the City of Columbus and Franklin County are enclosed for your file.

Should staff of the Ohio Power Siting Board desire further information or discussion of this submittal, please contact me at (419) 539-6064

Sincerely,

Brooke E. Leslie
