RE: Request for Administrative Hearing, Case # OH1665000221C

Dear Sir or Ma'am:

CDC Distributors is very conscientious with regard to our safety program and we believe that our safety record has a significant impact on our business. For this reason we request an Administrative Hearing with regard to Case #OH1665000221C.

We make this request because of the nature of the alleged violation and the fact that the truck in questions was not put out of service and instead the driver was allowed to leave the scene of the inspection.

Although there is no civil forfeiture, we are concerned that if the "out of service" determination is allowed to stand it will negatively affect our business and it will serve an unfair characterization of our safety program the way we operate on a daily basis.

I am the point of contact at CDC Distributors for this action. I can be reached at 513-560-1045 or awebb@cdcdist.com.

Thank you,

Ashley Webb
