**Re: OCC's Motion To Appoint a Special Management Performance Audit of
Dominion East Ohio's Plan to Lease On-System Storage Capacity to DTI.
Case No. 07-1224-GA-EXM**

Mr. Chairman and Commissioners:

Stand Energy Corporation has reviewed the Motion filed by OCC in the above-referenced pending case before the PUCO. Stand Energy Corporation agrees with and supports the numerous valid legal questions and points raised in that filing by OCC.

Stand Energy Corporation joins the OCC in requesting the Public Utilities Commission of Ohio Order a Special Management Performance Audit of Dominion East Ohio Gas to answer the numerous questions raised by the OCC.

Without more information, Dominion's proposal to lease on-system capacity to DTI would appear contrary to the best interests of customers, suppliers and potentially the integrity of the Dominion LDC system.

Sincerely,

John M. Dosker
General Counsel
