BUNDLED SERVICE PACKAGES (Continued)

*Certain Bundled Service Packages include long distance and/or nonregulated services (e.g., voice mail, Internet, and TV). Nonregulated services are not subject to the jurisdiction of the Public Utilities Commission of Ohio. Where two or more regulated services and/or regulated and unregulated services are offered together under a package price, a failure to timely pay the entire package price may render as past due the charges for all services included in the package and, as such, may result in disconnection of all services included in the package. (T) (M)

The monthly rate does not include the federal end user subscriber line charge or other taxes and surcharges. No Service Order or Non-Recurring Charge applies to Bundled Service Packages.

By choosing any of the aforementioned Bundled Service Packages, the customer authorizes the Company to establish a Preferred Carrier Freeze to prevent a change in the customer's preferred carrier without the customer giving express consent to the Company to make such a change. Any change of preferred carrier from FairPoint Long Distance to another carrier will result in a proration of the monthly rate with the components of the bundled service packages charged at the individual tariff rates, where applicable, after such a change is implemented. FairPoint Long Distance customers who are toll blocked are not eligible for any of the aforementioned service packages.

For an additional \$5.00 per month, the following features may be added to the Home Phone Standard, Home Phone Basic, Home Phone 300, Home Phone 1500, Full House Basic, and Full House Basic TV packages: 3-Way Calling, Call Return, Repeat Dialing, and Anonymous Call Rejection. Customers who subscribe to the Full House bundles with Video Services will receive a \$10 discount for a 12-month term commitment. Customers who subscribe to the Full House bundles without Video Services will receive a \$5.00 discount for a 12-month commitment.

**As of April 29, 2008, these Bundled Service Packages will no longer be available to new customers. The Company will inform current customers who discontinue these packages that these packages will no longer be available.

EXHIBIT C

The Applicant, Orwell Telephone Company, hereby adds a new service, Emergency Line Service, to its tariff. Emergency Line Service is only available as a component of a new bundled service package, HSI Essentials, which is also being added to the tariff with this Application. Emergency Line Service allows customers to subscribe to a high-speed Internet service, while retaining an access line at 50% of the basic local exchange access line rate. This new service is designed for customers who want High Speed Internet access service without traditional voice service, but who also desire the reliability of wireline-based E911 access.
