Please describe your complaint. (Attach additional sheets if necessary)

AEP appears to be acting on our tree removal now and a halt in their actions is necessary. We do not want trees removed from our back yard. The trees in question are on the outer edge of a right away and do not present vertical issues with the lines involved. These trees add privacy, energy efficiency and value to our property. AEP's removal of these trees will also leave us with 15 - 20 stumps within 10 yards of our back door and thousands of dollars in landscaping cost.
