Docketing Case No.:09-1946-EL-RDR

Notes:

Please do not let Duke get yet ANOTHER rate increase!! The people cannot afford the high gas/electric bills now. They have given businesses a discount and asked for a rate hike at least 3 times in the last 1.5 years. We do not get raises big enough to cover the constant increases.

Have them investigated like they did in the main Carolina offices. Have them cut their CEO CFO and other board member's salaries and bonuses. Most companies budget for repairs and emergencies. I don't see MSD asking for a rate hike every time a water main breaks.

I am all for the customers of Duke hiring attorney Stan Chesley and having a huge law suit against Duke for poor accounting practices.

Please stop them from pushing us to go without any power at the height of the hottest weather we get!

Thanks for your consideration, Lynne Lincoln

Please docket the attached in the case number above.
