To Whom it May Concern,

I am reading Consumer's Corner May
6 June 2010 on electric rates, I live
in a all electric apartment since 2004
never had all electric before - had Columbia
Gas & electric, I am on A & P. electric and
every year the rates go higher & higher
makes a person on limited income too
Question Why the rates increase so often.
I am not the only one that complaining,
I know we have to stay warm, so
put on another sweater to be
comfortable. I would like too hear from
you on this subject and how all
electric users can get an answer.

Sincerely,
Jeanette M. Naufziger
