Project Overview:

After reviewing the projects requested incentive and the attached scope of work, we were able to determine that the project Pandora Gilboa School District applied for was the replacement of 36 350W MH lamps with 36 3 x 54W T5 fixtures. The invoicing that was provided proved the quantities that were applied for were installed. There were also labor quotes and check stubs to provide proof of purchase of the equipment and/or systems indicated in the application.

By signing this document, the Mercantile customer affirms its intention to commit and integrate the above listed demand reduction, response, and/or energy efficiency resources into the utility's demand reduction, demand response, and energy efficiency programs. By signing, the Mercantile customer also agrees to serve as a joint applicant in any filings necessary to secure approval of this arrangement by the Public Utilities Commission of Ohio, and comply with any information and compliance reporting requirements imposed by rule or as part of that approval.
