S. BUNDLED SERVICE PACKAGES (Cont'd.)

(M)

Germantown Long Distance customers who are toll blocked are not eligible for any of the aforementioned packages. By choosing any of the aforementioned bundled service packages, the customer authorizes the Company to establish a Preferred Carrier Freeze to prevent a change in the customer's preferred carrier without the customer giving express consent to the Company to make such a change. Any change of preferred carrier from Germantown Long Distance to another carrier will result in a proration of the monthly rate with the components of the bundled service packages charged at the individual tariffed rates, where applicable, after such a change is implemented.

* These packages include long distance and nonregulated services (e.g., voice mail, Internet, and DirecTV). Nonregulated services are not subject to the jurisdiction of the Public Utilities Commission of Ohio. The Company will follow the disconnection procedures set forth in Ohio Admin. Code 4901:1-6-21(C)(2)(b). If a customer fails to submit timely payment sufficient to cover the entire amount of the regulated and nonregulated bundled package rate, the Company may discontinue the provision of any regulated and nonregulated services, other than basic local exchange service, if payment is sufficient to cover the rate of basic local exchange service. The monthly rate does not include the federal end user subscriber line charge or other taxes and surcharges.
