RE: Annual Reports for Canfield and Hamilton Townships

Independent Energy Consultants, Inc. is providing aggregation consulting services to Canfield and Hamilton Townships. Ms. Danelle Miller of the PUCO asked that I send you a letter informing you that these communities earned no revenue in 2009 as a result of any Governmental Aggregation program.

No annual reports were filed for these communities, because they were not PUCO certified in 2009. They became certified in 2010 and we will be filing their first annual reports next year.

If you have any additional needs or questions, please call me at 330-995-2675 or email me at mburns@naturalgas-electric.com

Sincerely,

Mark R. Burns
President
