From David Griffith

Per our conversation, Texzon Utilities just received our aggregator certificate to sell both gas and electric in Ohio on December 3, 2009. We received no income on sales as an aggregator in 2009. We will have income to report in 2010. If you have any other questions, please do not hesitate to contact me at the number below.

Sincerely,

A handwritten signature in cursive script, appearing to read "David A. Griffith".
