BEFORE THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of United Telephone Company of Ohio d/b/a CenturyLink for the Approval of a Negotiated Agreement with Allied Wireless Communications Corporation. Under Section 252 of the Telecommunications Act of 1996	Case No. 10-1245-TP-NAG
252 of the Telecommunications Act of 1996	

APPLICATION FOR APPROVAL OF A NEGOTIATED AGREEMENT UNDER THE TELECOMMUNICATIONS ACT OF 1996

United Telephone Company of Ohio d/b/a CenturyLink applies to the Commission for review and approval of the attached CMRS Interconnection Agreement ("Agreement") that is dated July 21, 2010 between United Telephone Company of Ohio d/b/a CenturyLink ("CenturyLink") and Allied Wireless Communications Corporation ("Carrier"), pursuant to the provisions of Section 252(e) of the Telecommunications Act of 1996, Pub. L. 104-104, 110 Stat. 56 (1996) (codified at 47 U.S.C. 151 et seq.) ("the Act").

The Agreement between the parties shall consist of the ALLTEL Communications of Ohio #3, Inc., Ohio RSA#2 Limited Partnership, Ohio RSA#5 Limited Partnership, Ohio RSA #6 Limited Partnership, Toledo MSA Limited Partnership, and Youngstown-Warren MSA Limited Partnership and United Telephone Company of Ohio ("Sprint") CMRS Agreement that became effective September 1, 2004. and was arrived at through negotiations between CenturyLink and Carrier as contemplated by Section 252(a) of the Act.

The Agreement is filed pursuant to the procedures set forth in Section 252(e) of the Act. Under Sections 252(e) (1) and (2), the Commission must approve the Agreement unless the Agreement or a portion thereof "...discriminates against a telecommunications carrier not a party to the agreement" or "...implementation of such agreement or portion is not consistent with the public interest, convenience and necessity."

The attached Agreement does not discriminate against any telecommunications carrier that is not a party to the Agreement. CenturyLink will make the Agreement available to any other carrier operating in CenturyLink service territory. However, the Agreement does not preclude different arrangements with other carriers. In addition, this Agreement does not impact any other company's right to negotiate or arbitrate under the Act.

The attached Agreement is consistent with the public interest, convenience and necessity because it allows for interconnection, collocation and resale for the Carrier. The Agreement represents the end product of good faith negotiations between CenturyLink and Carrier. This is exactly the type of private negotiation and agreement envisioned by the Congress when it crafted the Act. Therefore, the implementation of the Agreement will be consistent with the public interest, convenience and necessity.

CenturyLink requests that the Commission approve the Agreement.

Respectfully submitted,
