Re: Correction to the Change in Boundaries between the Holland Exchange of AT&T Ohio and the Swanton Exchange of United Telephone Company of Ohio d/b/a CenturyLINK

Case No. 10-476-TP-ACB

Dear Ms. Jenkins:

AT&T Ohio and United Telephone Company of Ohio d/b/a CenturyLINK (the "Joint Applicants") filed a revised map for the Holland exchange of AT&T Ohio and the Swanton exchange of CenturyLINK without application, pursuant to Ohio Administrative Code §4901:1-6-20. Both this letter and the revised quadrangle map is being filed pursuant to Ohio Administrative Code §4901:1-6-20.

The revised map reflected the incorporation of a small portion of CenturyLINK's Swanton exchange into the Holland exchange of AT&T Ohio. This was an administrative change only, made to reflect the current serving arrangements that have been in place for a number of years.

This boundary change affects an area located at the Toledo Express Airport by the sewage disposal facility. The previous dimensions were stated incorrectly. Below are the corrected boundary dimensions: 150' South of R/W Airport Hwy. West approximately 4875', 150' East of R/W Berkey-Southern Rd Route 295. South approximately 2125', East approximately 2125', South approximately 500', East approximately 3000'.

The Joint Applicants are in concurrence with this change, and confirm that this change will not adversely affect the service being furnished to any existing subscriber. AT&T Ohio serves the customers today in the affected area.

If you have any questions about this filing, please call.
